FOR AGES 3+

My very own CASTLE

Medieval play has never been more fun.

Children will spend hours playing prince or princess, queen or king, and even pirate with their own HUGE Castle. Because we care about your child's real world as much as their imaginary world, our products are made from bio-degradable, eco-friendly materials that are formaldehyde-free and completely recyclable.

Pre-assembled. Quickly expands for play or folds for storage.

Medieval play has never been more fun!
